

Bellagio™

Capri™

### **PALAZZO™ SERIES**

The Palazzo™ Series Door features distinct raised moulding combined with unique high-definition panel profiles. Palazzo™'s raised moulding has architectural accents like no other door. Palazzo™ is offered in two architectural designs. Bellagio™ and Capri™. Both designs make a grand impression and add elegance with sophistication to any room.

#### **Features**

- Exceptionally smooth surface, ideal for painting and decorating.
- Provides the weight, feel and richness of solid wood by using Masonite's PREMCOR™ door core and wood frame construction.
- Available in two architectural designs in both 1 3/8" and 1 3/4".

MASONITE®

#### *the beautiful door®*

In the past, homes were purchased to meet functional needs. Today, homes are purchased to meet specific lifestyles and to satisfy the need to create multiple living environments within a single home. To meet these lifestyle needs, Masonite is continually creating new and innovative products that will make every home more beautiful, more valuable and more enjoyable. With the ultimate goal of adding beauty and value to every home, Masonite® products are designed and constructed to exacting standards and specifications. All materials are engineered and carefully selected to ensure lasting durability and timeless performance.

### SAFE 'N SOUND® SOLID-CORE SERIES

Satisfy demand for quiet homes with Safe 'N Sound® Solid-Core doors. Made with revolutionary, patented **PREMCOR™** door core, Safe 'N Sound™ doors are superior to standard hollow-core flush doors in both noise reduction and fire safety. The complete line of Molded Panel Doors from Masonite are available as Safe 'N Sound®. These doors deliver beauty and durability at an affordable price. Choose Safe 'N Sound® Solid-Core doors for solid wood door value without the solid wood door cost.

**PREMCOR™** significantly reduces sound transmission versus a standard hollow-core flush door.

Primed smooth or textured wood-grain surface provides the look and feel of a solid wood panel door.

Get the extra weight and hefty feel of a solid wood door with **PREMCOR™** door core. This variable density wood fiber core gives Masonite® Molded Panel Doors added dimensional stability and provides complete support for multiple-panel designs.

**PREMCOR™** is lighter than conventional particleboard core allowing for easier handling, installation and less hinge and jamb wear.

### MOLDED PANEL SERIES

Transforming homes as a beautiful component of the interior design process.

All designs and most sizes are available:

- With hollow core construction
- With solid Safe 'N Sound® core construction
- Primed and ready for painting, 6-panel is available in a prefinished white or a choice of four prestained colors (6'8" textured only)
